### **STATUS – EMERGENCY CONTINGENCY FUND AGENDA ITEM NO. 13 - APRIL 5, 2005, BOARD MEETING**

At the meeting of April 5, 2005, your Board instructed the Chief Administrative Officer and the Acting Director of Public Works to report back on how to establish an emergency contingency fund for a future major disaster such as the January 2005 rainstorms.

The two departments are continuing to assess the options on establishing and funding a contingency fund with minimal impact to the Road Fund operations. We will report back to your Board on this plan during the 2005-06 Budget Deliberations along with the detailed analysis of how the remaining emergency storm repair projects will be financed.
